

Duane Palibroda

P.Eng., Struct. Eng., F.I.Struct.E., LEED® AP
MANAGING PRINCIPAL

Duane Palibroda holds a Bachelor’s degree in Civil Engineering from the University of Saskatchewan. Upon graduation, he moved to London, England, where he worked with several reputable structural consulting firms. During his five-years in the United Kingdom, he obtained status as a Chartered Structural Engineer and Member of the Institution of Structural Engineers.

Relocating to Vancouver in 1998, Duane joined Fast + Epp, continuing his passion for innovative building design. He obtained status as a Fellow of the Institution of Structural Engineers in 2014 and was appointed Managing Principal of the firm in 2017. With his broad experience, Duane continues to contribute his in-depth knowledge of practical and creative design solutions as project lead on a variety of projects. He also serves as general manager for company operations, focusing on quality control and overall office efficiency.
